Compruebe sus listados de TV local para encontrar el canal de su estación local de PBS

Trabajando con el [Departamento de Educación de Pensilvania](#), hemos creado “[Aprendiendo en casa](#)”, su conexión con miles de horas de programas educativos y entretenidos, videos, actividades y juegos para apoyarlo.

Como parte de “Aprendiendo en casa”, sus siete estaciones de PBS en todo el estado (conocidas colectivamente como PBS de Pensilvania) están proporcionando emisiones al aire de programas educativos para complementar su aprendizaje a distancia. La programación está alineada por rangos de grado y codificada por colores por las “Metas de aprendizaje para niños de PBS” – (listada en la parte atrás) para que pueda encontrar fácilmente el programa adecuado para su hijo/estudiante. Los enlaces debajo de cada programa proporcionan acceso a materiales de aprendizaje suplementarios relacionados con el programa (se requiere una conexión a Internet para acceder a los enlaces).
