Please register in advance for this free webinar.

Join WITF Education Director, Debra Riek,
WQED Director of Education Projects, Cathy Cook,
and WQED Director of Education Partnerships, Gina Masciola,
to explore the use of music to support Social and Emotional Learning.
Learn how to incorporate *Ready Set Music*, the brand-new resource
from Pennsylvania PBS, into your classroom day.

Ready Set Music is designed to teach children words and messages to help them describe feelings with fun, catchy songs. Explore the original songs in various music genres with supporting activities at the Pennsylvania PBS website
