

Check your local TV listings to find the channel for your local PBS station.

Working with the [Pennsylvania Department of Education](#), we have created [Learning at Home](#), your connection to thousands of hours of educational and entertaining programs, videos, activities and games to support you.

As part of Learning at Home, your seven PBS stations across the state (collectively known as Pennsylvania PBS) are providing on-air broadcasts of educational programs to supplement your distance learning. Programming is aligned by grade bands, and color-coded by PBS KIDS Learning Goals (listed on the back) so that you can easily find the program that's right for your child/student. The links underneath each program provide access to supplemental learning materials related to the program (an internet connection is required to access the links).

**Pennsylvania PBS (PA PBS) is the collective name for the seven public television organizations in PA**, including: WHYY Public Media in Philadelphia, WITF Public Media in Harrisburg, Lehigh Valley Public Media in the Greater Lehigh Valley, WPSU Public Media in State College, WQED Public Media in Pittsburgh, WQLN Public Media in Northwestern PA, and WVIA Public Media in Northeastern PA.

Pennsylvania PBS is a trusted provider of public media news and programming for approximately 12.4 million people in Pennsylvania, serving large diverse, rural, urban and underserved communities. Its mission is to leverage, unify and amplify the education mission and collective impact of the seven stations in the lives of all Pennsylvanians.
